Dear Fiona Dunbar.

Thanks for coming to my school (well-field middle) It was really good.

Your books sound really cool, I wish I had bought one now! the assembly was really good. I like how its about seeing ghosts and stuff like that! I'm deffinatly going to get one as soon as I can! I would buy them all.

It was good fun having you here telling us about your books, I liked how you read a bit out, I wanted to listen to It all. Rat man sounds REALLY cool as well as kitty.
